Orchid Growers & Importers1953 Price ListApril 15th, 1953This price list cancels all previous offers.HYBRID SEEDLINGS IN 1½ in. POTS

The following hybrids average 3 to 5 in. high.

- No. 208 C. PERCIVALIANA X (C. DOWIANA AUREA x C. APHRODITE).....\$1.25 each
The Percivaliana used in this cross was a fine rosy lavender, fls. large. The pollen parent had rose flowers with a large Dowiana Type lip. Winter bloomer.
- No. 213 C. GUTTATA X C. PATRICA MUNSEL.....\$1.25 each
Experimental Cross. The C. Guttata used in this cross has flowers with bronze sepals and petals and purple lips. The Patricia Munsel had large White flowers with yellow in the lip. Should produce bronze or cream fls. of heavy texture.
- No. 214 BC. HEATONENSIS (C. Hardyana X B. Digbyana).....\$1.25 each
The seed parent in this cross had large flowers with red-purple lips veined with gold and yellow eyes in throat. The B. Digbyana was an exceptionally fine one.
- No. 215 BRASSAVOLA DIGBYANA X SELF - (Species).....\$1.25 each
This is a selfing of a plant used by a well known grower for hybridizing.
- No. 224 (C EMP. FREDERICK ALBA x C. PRISCILIA ALBA) X C. EDITHAE.....\$1.50 each
Flowers White with Purple Lips. Winter flowering.
- No. 226 C. LORNA ALBA X BC. MME. CHAS. MARON.....\$1.50 each
Expect huge flowers, white to charming pastel colors. Spring blooming.
- No. 232 C. MONMOSS X C. DUPREANA.....\$1.50 each
This cross should produce mostly large, dark colored flowers that are in such demand on the market.
- No. 233 C. TITYUS X LC. LUSTER.....\$1.25 each
This cross should produce medium to dark flowers. A certain percentage will probably have splashed flowers with darker lines down the mid-ribs of the petals.
- No. 234 LC. APHRODITE X C. DUPREANA.....\$1.50 each
This cross should produce some nice splashed varieties.
- No. 235 C. HARDYANA X C. TRIANAE.....\$1.50 each
Large medium-dark flowers, expected to be a twice yearly bloomer.
- No. 236 C. RITA SLADDEN X C. BARBARA BILLINGSLEY.....\$1.50 each
This cross is especially vigorous in growth, indicating it may imitate the profuse growth and blooming habits of Barbara Billingsley. The extra large, heavy Rita Sladden should increase the size and texture. Winter Blooming.
- No. 237 LC. APHRODITE ALBA X C. DOWIANA AUREA.....\$1.50 each
Most of these will be Whites with Purple Lips, but a percentage will be cream and some will resemble C. Dowiana Aurea. Spring blooming.

- No. 238 BRASSA VOIA PERRINII X CATTLEYA ARMAINVILLERENSIS.....\$1.25 each
Experimental Cross. This cross should produce fragrant, light lavender flowers with darker lips. The flowers will probably be shaped similar to B. Perrinii. Compact grower.
- No. 239 LC. FASCINATOR X LC. RABEIANA.....\$1.50 each
Probably a twice yearly bloomer. Fls. lavender with dark lips.
- No. 240 LC. JAMES RABE VAR. VIVID X C. FRED SANDER VAR. GLORIOUS.....\$1.50 each
This cross should result in fine, large, dark and vivid blooms for the Winter Season.
- No. 250 C. ELDORADO X C. DOWIANA.....\$1.25 each
Large, medium to dark colored flowers with darker lips. Summer or Fall bloomer.
- No. 251 C. GASKELLIANA X L. PACAVIA.....\$1.25 each

TERMS & CONDITIONS:

1. Cash with order, no C.O.D.'s. Payment should be made by check, cashiers check, money order or by currency when sent by registered mail.
2. Customers living in Missouri should add 2% sales tax to all orders.
3. All plants unless otherwise listed are established and of blooming size.
4. We will not accept orders for less than \$5.00 worth of plants unless \$1.00 extra is included to cover packing costs. Minimum order for supplies \$2.50.
5. All prices are subject to change without notice.
6. All prices are net, f.o.b. Kirkwood, Missouri, unless otherwise stated. All books are sent postpaid. 20% extra should be added to orders to cover cost of postage on supplies listed as f.o.b. Any over payment will be promptly refunded.
7. All of the plants listed are in stock at the time of printing this list; however, they are subject to prior sale. When ordering please if possible list a second choice, as the stock of many species and hybrids is very limited.
8. All plants will be shipped via railway express collect, unless we are otherwise instructed.
9. All plants are carefully packed and should arrive in good condition; however, we are not responsible for their safe arrival. All plants that are shipped by railway or air express are fully insured and once accepted by the carriers, they are responsible for their safe delivery. Plants should be examined carefully upon their arrival, and if there is the slightest indication of damage a claim should be filed immediately with the express company. The express company must see the plants immediately to have a claim considered. Parcel post shipments of plants cannot be insured against loss or damage.
10. When sending plants parcel post we will prepay charges as a service to the customer. Prompt reimbursement of these charges will be appreciated.
11. All established large plants will be shipped out of pots. This cuts down weight and greatly reduces the shipping cost. Customers wishing large plants left in pots should add 50¢ extra per plant to cover additional costs of packing.

OUR GUARANTEE:

1. All species plants unless otherwise stated are guaranteed to be of blooming size, in good condition and true to name as labelled by growers or exporters.
2. Our liability, in all instances, is limited to the purchase price of the plants. We give no warranty, express or implied, as to the productiveness of any plants we sell and will not in any way be responsible for the crop.

In addition to the books and supplies listed in this price list we have an Illustrated Catalog on Garden Books & Supplies, Corsage & Arrangement Materials, Dried Materials, Greenhouse Supplies and additional Supplies for Orchid Growers.

Copies of this catalog are mailed free of cost to all customers who have ordered from us within the last six years. If you have never ordered anything and wish a copy of our catalog please send 20¢. Cost may be deducted from your first order.
